ABOUT ME

Hi, I'm Ilia

Strategic & Creative Storyteller

My passion is to tell **stories that inspire**! With a strategic mindset and a creative approach, I develop long-term communication **strategies that foster empathy, relatability, and loyalty** – turning brands into narratives that resonate, and bringing my unique, highly creative perspective to the work.

I did it my way

Russian Antique Gallery
2017-2020

School of Governance and Politics, MGIMO
Feb-Sep 2019

Moscow Model UN
Oct 2019 - Jan 2021

MGIMO Urban Studies Club
Apr 2021 - Aug 2023

Red Events UK
Jan-Oct 2024

USC Center for Languages and Cultures
Oct 2024 - Aug 2025

Envy Smile Dental
Sep 2025 - present

Brands I worked with

Education that shaped me

BA International Relations
MGIMO University, 2018-2022

MS Global Media and Communications
London School of Economics, 2023-2024

MA Global Media and Communications
University of Southern California, 2024-2025

so let me tell you about it...

CASE STUDY

Red Events UK (World)

- **Developed a structured content calendar** tailored to each concert's theme, composer, and cultural significance, ensuring a mix of informative, engaging, and promotional posts that educated while entertaining (**edutainment approach**).
- **Provided clear creative direction to the design team**, ensuring visuals matched the mood, tone, and historical context of the music.
- **Led Red Events' global expansion efforts**, contacting venues, local influencers, and downtown-specific websites backed by city governments to promote concerts as cultural landmarks in new locations.

SNACK

THE SKINNY
INDEPENDENT CULTURAL JOURNALISM

- **Established media partnerships** with publications like The Skinny and The Snack Magazine, securing editorial features that elevated Red Events' credibility in the classical and film music industry.
- **Collaborated with influencers**, leveraging targeted promotions to attract diverse audiences beyond traditional classical music fans – Harry Potter fans, university students, anime fans.

CASE STUDY

USC CLC

- **Crafted a cohesive narrative** for the Center's digital presence, emphasizing the value of multilingualism and global perspectives.
- **Focused on relatable storytelling** to humanize the language learning journey, showcasing student experiences and cultural insights.
- **Engaged with the community** through interactive posts, quizzes, and event highlights.

USC CLC

Design-driven content strategy

- **Developed an original design concept** for informative campaign series, including holiday-themed series, Career Week campaign, and other.
- **Optimized the Center's web presence** through WordPress content updates, improving site usability and increasing student access to event details and resources.
- **Created compelling copy and high-quality visuals**, blending education with entertainment to make language learning more engaging.

CASE STUDY

Urban Studies Club

- **Pioneered a transmedia content strategy** across Instagram, TikTok, VK, and Dzen, that allowed to continue posting despite social networks blockings
- **Shifted the club's positioning** from a formal academic organization to a dynamic, community-driven space where students felt like collaborators.
- **Built a strong editorial approach**, leading a team of writers to produce timely urban news updates and narrative-driven posts.

CASE STUDY

Urban Club

Transmedia strategy and community building

- **Led a team of content creators**, curating the most relevant urban news for timely posts.
- **Designed a narrative** that positioned the club as a supportive peer community.
- **Ensured continuity of content** despite Instagram and TikTok restrictions, maintaining consistent audience engagement across alternative platforms.
- **Curated an inclusive, approachable tone** that resonated with students, building loyalty and increasing membership.

CASE STUDY

Moscow Model UN

- Launched “Diary of a Model UN Delegate” – a **first-person narrative series** on Telegram, making updates more relatable.
- **Managed Twitter and Telegram channels** for real-time updates, press releases, and interactive Q&As.
- **Coordinated an international collaboration** with Paris International Model UN, strengthening the event’s global reputation.

CASE STUDY

Model UN

Storytelling innovation and community engagement

- **Humanized the conference experience** by using a fictional delegate’s perspective to create relatable, engaging content.
- **Built an engaged digital community** that extended beyond the event itself, increasing participation and retention for future events.
- **Leveraged storytelling** as a tool for building international partnerships, expanding the Model UN’s global footprint.

I can make your brand relatable.
